

# Libraries of Foster

December 19, 2018

Dear Friends and Neighbors,

## Happy Holidays from the Libraries of Foster!

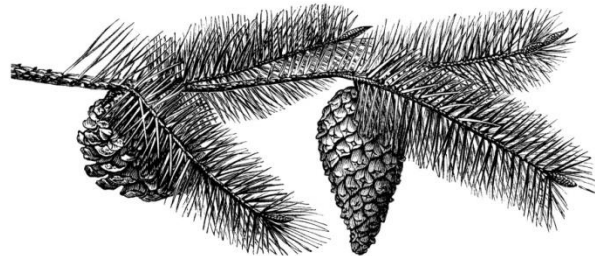

Libraries transform lives. We see this when town residents use the libraries' computers to fill out online job applications, write their resumes, and connect with their jobs remotely. Our hearts are touched when a young child lights up because they have discovered their new favorite book. When tots stride confidently into "their" space at Tyler's Storytime, we know we are building lifelong learners. We love it when patrons ask, "This was wonderful, can we do this again?" during the monthly art, cooking, journaling, sewing, knitting, and book discussion programs that bring friends and neighbors together. Libraries transform lives because we connect people with each other, entertainment, knowledge, and resources, but **we can't do this without your generous support. Please send in a check today to the Libraries of Foster.**

We would like to thank the people of Foster for your support in the past year and we pledge that we will work hard, as always, to stretch our dollars and provide you with professional library services. Libraries are the best return for your tax dollar investment, supplying you with books, films, programming, job help, business incubation, and valuable community connections to every resident of Foster. We will continue to work hard in 2019 to meet our town's needs and spend the monies you entrust to us as wisely as possible.

## Thank you for your support!

Sincerely,

Karen Mueller  
Board President  
Libraries of Foster

*Perhaps no place in any community is so totally democratic as the town library. The only entrance requirement is interest.*  
-Lady Bird Johnson
