

Libraries of Foster

November 15, 2017

Dear Friends and Neighbors,

The library is the heart of every community, connecting people with information and each other. We are there for you when you need us with after-school programs, evening hours, and weekend help. We even reach you in your home with our eZone offerings of streaming videos, eBooks, and audiobooks.

A lifelong love of books and reading starts here. Whether you are looking to be entertained or enlightened, we have what you seek. Our collection includes DVDs, audiobooks, the latest magazines, and of course lots of books! Our programs engage learners of all ages from the youngest story hour toddler to retirees looking to learn a new craft. We are a gathering place, a home for exploration, a jumping-off place for a new job, a safe place for children and teens to gather, and a haven for creativity. **We offer so much to our small community.**

The Town of Foster is our major source of revenue and, while we use these funds carefully, **it is not enough.** We rely on donations from people like you to hire performers, hold special events, and add to our collection. **We cannot do this without your generous help.**

Your contributions make the difference. Please return the lower portion of this letter with a check made out to Libraries of Foster Annual Appeal or donate online at www.fosterlibraries.org/donate. Your tax-deductible gift helps us promote community, literacy, and creativity.

The Libraries of Foster thank you!

Sincerely,

Karen Mueller
Board President
Libraries of Foster

Perhaps no place in any community is so totally democratic as the town library. The only entrance requirement is interest.
